

ENGRACIA NOBREGA

Software Engineer · IT Support & Infrastructure · Arduino Enthusiast · Cybersecurity & Data Science Aspirant
Luanda, Angola · +244 944 157 256 · zellybutta@gmail.com · github.com/ZellyButta · linkedin.com/in/ebnobrega

PROFESSIONAL SUMMARY

IT professional with experience in technical support, infrastructure management, Linux (advanced), networking, and programming (C, C++, Python, Node.js, React, Docker). AWS deployment experience. Strong interest in Cybersecurity, Data Analysis, and IoT with Arduino.

TECHNICAL SKILLS

Support & Infra	Help-Desk L1 · Hardware/Software · Networking · Linux/Unix
Development	C · C++ · Python · Node.js · React · Docker
AI & Cloud	OpenAI/GPT · LangChain · ChromaDB · AWS
Tools	Git · Microsoft Office (intermediate)
IoT	Arduino (enthusiast)

PROFESSIONAL EXPERIENCE

IT Technician (Internship) | Complexo Escolar Emanuel Kutolola & Ramos Soft · *Feb/2017 – Apr/2022*

- › Support & Help-Desk: Efficient resolution of technical incidents for students and staff.
- › Infrastructure Management: Preventive hardware/software maintenance, ensuring continuous availability.
- › Process Optimization: Identified workflow improvements and increased team productivity.

PROJECTS

Mapzz — *Hackathon 42 Luanda*

Mapping app to identify areas with high mosquito density in Luanda, targeting public health impact and disease prevention.

NLW Journey AI — *Rocketseat · Jul 8–12, 2024*

Python application integrating GPT (OpenAI), LangChain, ChromaDB, DuckDuckGo/Wikipedia agents, a supervisor agent, Docker, and AWS deployment (ECR, EC2, Lambda).

School Management System — *Cur1ouxs (Group Project)*

Collaborative development of a system to manage students, classes, grades, and attendance, promoting administrative digitalization.

EDUCATION

B.Sc. in Software Engineering | 42 Luanda · *2024 – 2026*

Technical Diploma in Computer Science | E.E. Emanuel Kutolola · *2017 – 2022*

CERTIFICATIONS & TRAINING

- ◆ Python Essentials 1 & 2 · *Cisco Networking Academy*
- ◆ Cybersecurity Fundamentals · *Cisco Networking Academy*
- ◆ Intensive WLAN Course · *Huawei Academy · Jun 1–12, 2025*
- ◆ Data Science and Analytics · *HP Foundation*
- ◆ Node.js & React · *Rocketseat*
